Portland Business Journal Awards Percipio Consulting Group to Its "Fastest" List (#18)

Portland, Oregon, June 24, 2005 — Percipio Consulting Group, a Portland-based business consultancy with expertise in Operations Improvement was selected for its first time by the Portland Business Journal as one of its Oregon's 100 Fastest Growing Private Companies. Percipio was listed as the 18th fastest growing private company in Oregon. The list has been published annually for the past 22 years.

Private companies of all industries can be evaluated for this ranking. Organizations chosen by the Portland Business Journal must provide business information from the past 3 years including revenue and resource growth.

"We are extremely proud to be awarded this honor. We have an outstanding group of people in our company that will help us to expand our services throughout our local communities by continuing providing excellent services and creating jobs for Oregon," says Tim Bergler, Principal and founder of Percipio Consulting Group.

Percipio Consulting Group provides operational improvement, risk management and business technology integration consulting. Percipio helps clients to identify and assess business improvement opportunities and assists clients in managing change initiatives to effectively operationalize business strategy through process and technology solutions.

Founded in 2000, Percipio has delivered business-critical engagements for Fortune 500 and emerging companies alike, in industries ranging from merchant energy and utilities to financial services and high-tech manufacturing. Percipio is headquartered in Portland, Oregon.
