

## FOR IMMEDIATE RELEASE

### **Percipio Consulting Group Receives Portland Business Journal "Fastest" Award Fourth Year in a Row**

Portland, Oregon, June 20, 2008 — In an exciting ascent, rising back above the halfway point, Percipio Consulting Group, Portland's business consultancy with expertise in operations improvement, was named as the 31<sup>st</sup> company on the Portland Business Journal's annual list of Oregon's 100 Fastest Growing Private Companies. This is Percipio's fourth year in a row in the list.

"To be honored for the fourth straight year by the Business Journal is a tremendous accomplishment for our team. We've been able to consistently grow clients, projects and headcount while maintaining our level of quality. It's terrific to see our consultants' commitment to client delivery pay off in strong relationships and repeat business with several key clients and we look forward to sustained growth going forward," says Tim Bergler, Principal and founder of Percipio Consulting Group.

Percipio's track record on the list started in 2005 when it first entered the list at #18. 2006 saw #25 and 2007 was #64. The Portland Business Journal has been compiling and publishing its annual Top 100 list for 25 years. After five consecutive years on the list, companies are awarded special recognition with a Lighthouse Award.

Percipio Consulting Group provides operational improvement, risk management and business technology integration consulting. Percipio helps clients to identify and assess business improvement opportunities and assists clients in managing change initiatives to effectively operationalize business strategy through process and technology solutions.

Founded in 2000, Percipio has delivered business-critical engagements for Fortune 500 and emerging companies alike, in industries ranging from merchant energy and utilities to financial services and high-tech manufacturing. Percipio is headquartered in Portland, Oregon.
